

## Directory Update Form

The Provincial Dance Directory is a comprehensive listing, by region, of dance artists, teachers, groups, schools, and associations. Published bi-annually, this document provides a valuable resource on dance participants in the Province.

The Directory is a 5.5" X 8.5" handbook with nearly 100 pages of pertinent information to the dance community in Manitoba. In addition to being relied on by the Dance Manitoba office in answering public inquiries about where to find dance related organizations and individuals, the finished publication is also distributed to our membership, dance companies, advertising companies, cultural, recreational and tourism organizations, public and private libraries, chambers of commerce and dance organizations across Canada and is available for purchase by all others.

Be sure to list yourself and/or your organization in the latest issue of the Manitoba Provincial Dance Directory, due to be published and distributed January 2008. Complete the form below and return to the Dance Manitoba office or submit forms online at [www.dancemanitoba.org](http://www.dancemanitoba.org) no later than November 23, 2007 for inclusion in the upcoming issue.

Listings in the Dance Directory are complimentary.

Dance Manitoba members will be linked from our website to their own, where applicable. Non-members may be linked online as well for a \$10 administration fee per link, which will maintain the link on our website until the next bi-annual publication of the Directory.

Please photocopy this form for multiple listings. Complete one form per desired listing, i.e., one form for the studio, one form for each individual director/teacher. If your business has more than one address, please complete one form per address.

---

Please fill in as many fields as possible, with as much detail as you like in comment areas.

***Complete listings will better represent you and/or your organization.***
