STUDENT CHOREOGRAPHY

HAVE YOU EVER BEEN CURIOUS ON HOW A PERFORMANCE PIECE IS CREATED AND DEVELOPED?

If you answered **YES**, than this is your opportunity to experiment with your own creative ideas and develop your creative skills.

- As the choreographer, **YOU** are the one who will make all of the decisions regarding your piece. *Critical Feedback will be given by the adjudicator with respect to vocabulary used, theme, mood, style, structure and flow, the use of space, use of music and the readiness of your performers.*
- Student Choreography entries are adjudicated separately from other entries. You can enter the same piece in a corresponding category to receive adjudication on the dancers performance.

Entry Forms available at your School Office
