May 11-24, 2008

Student Choreography

Why You Should Enter the Student Choreography Sessions

- Adjudicators will provide feedback on their impressions of the choreography, not the dancers' execution. **Critical Feedback will be received with respect to theme, mood, style, structure, flow, use of space, use of varied and interesting movements and patterns, etc.**
 - Student Choreography entries are adjudicated separately from the other entries. **You can enter the same piece in a corresponding category to receive adjudication on the dancers' performance.**
- Students are encouraged to experiment.**
